At the beginning of each school year, students receive a student agenda with the school expectations below, and your teachers will go over the rules with you. Please take the time to review these expectations and expected behavior with your parents. If you have any questions, please see your counselor, the Principal, or the Assistant Principal.

## ATTENDANCE

Regular attendance is vital to student success in school. The student who is frequently absent misses social interaction and direct instruction from his/her teachers even though written work can be made up in accordance with CA Education Code. Any day or hour absent is a missed learning opportunity. Further impacts of student irregular attendance include:

- Students can fall behind quickly if they keep missing just a day or two every few weeks
- Tardiness in the early grades can predict poor attendance later
- Absences can affect whole classrooms if the teacher has to slow down learning to help students catch up

### Attendance Procedures

1. On the day that a student is absent from school, parents need to call the attendance office at 712-7190 before 9:00 am to report the absence.

**Unexcused absences or cuts may result in progressive discipline, as well as the student and parent being referred to the Student Attendance Review Board process. Students are responsible for attending class regularly and on time. Students with excessive absences or tardies may be excluded from activities and privileges at school such as assemblies, sports, dances, the Promotion ceremony, field trips, etc.**

**Note: The absence count for dance participation will reset after each dance.**

2. Students are expected to be seated and ready for class with all materials when the second bell rings. If not, the student will be considered tardy. The third tardy will result in detention. Every subsequent tardy will result in additional detentions and loss of privileges. Students more than 5 minutes late will be sent to the office.

### **3. Cutting a class or part of a class is considered a severe infraction of school expectations**

4. Students leaving school before the dismissal time must always be signed out in the office by a parent/legal guardian, or an adult listed on their emergency card. **Students will only be released to parents/legal guardians or adults listed on the emergency card.** Students with nearby medical appointments must bring a note to the office with the date, time, location of the appointment, and parent/guardian signature in order to be released.

5. If your child is absent, he/she may access homework for all teachers daily by going to Schoology and/or Google Classroom. In addition, please refer to the teachers' absence policy and/or have your child see their teacher upon return.

If your student is absent for an extended period of time, please coordinate all homework/ classwork directly with teachers. Your student's counselor may also be able to assist with this if the need arises.

6. If your child is absent on the day of a dance, athletic contest, or other school function/activity, they

will be **excluded** from participation. In the case of a partial absence, students must attend a minimum of four (4) full periods to be considered “in attendance.”

## ACADEMICS

**Philosophical Statement:** It is the goal of the Cunha School staff to meet the individual academic needs of each student. We also believe it is necessary for students to have success in school and to prepare them academically and socially for the transition into high school.

**Academic Progress:** The school year is divided into four quarters. Parent conferences will be conducted during the second quarter reporting period. Report cards will be mailed at the end of each quarter. Between report cards, students will receive a Mid-Quarter Progress Report to show academic and citizenship status at that point. Progress Report grades will be marked as Pass (C or higher) or C-, D, or F.

**Grade Point Average (GPA):** A cumulative GPA is computed by totaling (adding) the grade point equivalents and dividing by the total number of courses that the student has taken. Note: Teacher Aide and several other elective classes are graded on a Pass/Fail basis only.

*Marking System: Cunha uses a grading system consisting of the following letter grades and their point values:*

Grade	Grade Point Equivalents	Grade	Grade Point Equivalents
A	4.0	C-	1.7
A-	3.7	D+	1.3
B+	3.3	D	1.0
B	3.0	D-	0.7
B-	2.7	F	0.0
C+	2.3	I (Incomplete)	0.0
C	2.0		

**Schoolology:** Teachers utilize the online Grade Reporting function in Schoolology. As teachers enter student grades, parents can follow the ongoing academic progress of their student. Teachers strive to update the online grades in a timely fashion. Homework assignments are usually graded within the week; tests or larger projects may require additional grading time before the grade is posted. A parent is encouraged to help their student manage their daily assignments by using the student Agenda. When there is a question about an assignment, the student should first check with the teacher, then followed up by the parent seeking additional clarification from the teacher.

Note: 6<sup>th</sup> grade wheel and Teacher Assistant grades will be pass/fail only. A cumulative grade

point average is computed by totaling (adding) the grade point equivalents and dividing by the total number of courses in which the student is enrolled.

**Citizenship Grades:** Students will also receive on their report cards a “Citizenship” grade, which reflects their conduct and participation in class.

Excellent = exceeds expectations

Satisfactory = meets expectations

Unsatisfactory = does not meet expectations

**Academic Counseling:** Cunha Intermediate School has two full time counselors who work with all students. Students who wish to see their counselor must first fill out an appointment request in the office or through the school website (select Appointment Request under Counseling on the main page).

**Back to School Night:** Parents should plan on attending the Cunha Back to School night each year their student is enrolled at Cunha Intermediate. It is designed to provide parents with key information about Academic Expectations, Grading Policies and Contact information for the teacher. Additionally, information about grade specific events such as Outdoor Education Week, Leadership trip to Washington DC., College and Career Readiness and Student success support systems is shared with parents and guardians. This time is invaluable to the success of every student. The schedule will offer parents time to meet each of the seven teachers a student has for the school year.

**Honor Roll:** In order to add incentive and recognition for good work and high achievement, the Cunha staff publishes a school honor roll at the end of each quarter. Cunha’s administration team presents certificates to students in classes to honor their successes. Students who are on the honor roll are offered a special field trip as recognition for their hard work. Students must earn a GPA of 3.25 or better in order to qualify. In addition, Cunha has a Principal’s Honor Roll for which a qualifying student must earn a 3.9 GPA or better.

**Homework Guidelines:** Cunha’s homework policy has been developed with the belief that certain classes will have homework assigned as needed as an extension of instruction. To ensure that parents and students both understand homework assignments, assignments should be recorded in their student agenda each day to provide communication between families and teachers. Google Class/Schoology shows a posted homework calendar and daily assignments. Parents are encouraged to set aside an average of one hour of time each evening (Monday-Thursday) for homework. This hour should be a "quiet" time devoted to completing assigned work, checking assignments already completed, and recreational reading. Parents are also encouraged to monitor the use of social media during the homework hour.

**Textbooks and Chromebooks:** Students are responsible for the proper use and care of school books, textbooks, and chromebooks. Teachers will inform the students of which books or devices are required for the daily classroom work. Students are expected to have them ready for use on

all school days. *If a book or chromebook is lost or damaged, the parent is responsible for its replacement. Students will be asked to pay the replacement cost or pay a lesser amount when damage occurs. Students will not be issued final grades or diplomas until all textbooks or replacement costs are turned in.*

**Physical Education:** Physical Education is a state-required course for all students. All students are required to dress for physical education and participate daily in the total physical education program. Appropriate attire will be explained by the Physical Education Department staff. Those students who cannot participate are still expected to dress in appropriate PE attire and must bring a written note from a parent or guardian for days the student is to be excused. If the excuse is to exceed three days, the student is required to have a written note from a medical doctor.

*It is the student's responsibility to use a combination lock* when participating in PE. Students are strongly advised to lock up all valuables! Locks can be purchased at school, and it is the student's responsibility to lock and secure valuables in their assigned locker when participating in PE. If the valued items are too large to fit in a locker, bring them to the PE teacher to be secured in their office for class time storage.

**Promotion Standards:** It is the purpose of the Cunha staff to prepare students for the next grade. If a student fails to maintain a GPA of 1.7 or higher, they may be placed in intervention classes, placed on academic and/or behavior contracts, required to attend summer school, and will be required to meet with their counselor prior to the end of the school year.

- *8<sup>th</sup> Grade students who do not maintain a minimum cumulative GPA of 1.7 in their 8th grade school year are automatically enrolled in summer school.*
- *Students who have continually displayed excessive uncooperative behavior may be excluded from any or all of these activities, including Great America, Dances and Promotion Ceremony.*

**Academic Integrity:** The Cabrillo Unified School District is committed to advancing the pursuit of intellectual excellence and to maintaining the highest standards and expectations for academic integrity among all students. The Governing Board believes that academic honesty and personal integrity are fundamental components of a student's education and character development. The Board expects that students will not cheat, lie, plagiarize or commit other acts of academic dishonesty. Students, parents/guardians, staff and administrators shall be responsible for creating and maintaining a positive school climate that encourages honesty. Students found to have committed an act of academic dishonesty shall be subject to district and school-site discipline rules (BP 5131.9).

**Definition of Academic Dishonesty:** Academic Dishonesty is an attempt to disrupt the evaluation process. It includes using a person's work, concepts, designs, data, ideas, research, or documentation, without giving proper credit to the source. Academic Dishonesty goes beyond plagiarism to also include identical answers or unlike problems on an exam, lying, cheating,

using or providing unauthorized materials in preparation for an exam/test/quiz, or using or providing unauthorized materials during an exam/test/quiz, and other acts, such as theft or falsification of records and files.

***Forms of Academic Dishonesty:*** Examples include, but are not limited to, the following:

- Looking at someone else's work product, or knowingly allowing someone else to look at one's work product during an exam, test, or quiz
- Using any kind of "cheat notes" during an exam, test, or quiz, without teacher approval
- Copying any work assigned to be done independently or letting others copy one's work
- Having unauthorized access to or using stolen exams, tests, or quizzes
- Forging parent signatures on grade reports, or other documents
- Using an electronic device (calculator, cell phone, camera, or other gadgets) to give or receive or copy information before, during, or after an exam, test, or quiz
- Lying about attendance or ability to complete assignments and/or assessments
- Claiming credit for work in a group project when work was done by others
- Copying or closely paraphrasing sentences, phrases, or passages from an uncited source while writing a paper or doing research
- Using the views, opinions, or insights of others without proper acknowledgment
- Fabricating or altering laboratory data

***Teacher's Professional Judgment:*** A teacher's professional judgment guides the implementation of the Cunha Intermediate School Academic Integrity Policy. The teacher is responsible for setting the academic expectations, explaining the consequences of the Policy, evaluating any evidence of student misconduct in light of the Policy, and determining whether the Policy has been violated. Students are to conduct themselves in a sensible manner and not give the teacher cause to consider their actions a violation of the Academic Integrity Policy.

***Consequences for Violations:*** Cunha considers violations of the Academic Integrity Policy to be serious offenses and has therefore instituted the following consequences. The consequences will be applied school wide, i.e., a violation in one class follows a student to a different class. Additionally, violations of the Academic Integrity Policy are cumulative for all the years a student is enrolled at Cunha Intermediate School.

- The student will have a reduction in grade/credit (up to, and including, an "F" grade/"0" credit) on the assignment, exam, test, or quiz based upon the teacher's grading system
- The student's quarter grade may, at the teacher's discretion, be lowered by one full letter grade
- The teacher will confer with the student and contact the parent/guardian by phone or email to

review the academic integrity incident within two school days of becoming aware of the incident

- The teacher will submit a referral, with appropriate documentation explaining his/her professional judgment, to an administrator who will meet with the student, and document the incident/follow-up action in Student data management system

Disciplinary actions may include any of the following, but are not limited to:

- Detention, Campus Beautification, In School Suspension, Out of School Suspension (even on a first offense for serious incident)
- A signed student/parental behavior/academic contract which includes a statement that acknowledges the violation/consequence(s) and indicates an understanding of further consequences for any subsequent offenses
- The student will be ineligible for participation in or having a leadership role in a club, student government, athletic team, or other extracurricular activity for a period to be determined
- Students who violate the Academic Integrity Policy more than once will be subject to progressive discipline.

## **ENRICHMENT ACTIVITIES**

**Athletics:** Students are encouraged to participate in the sports activities that are offered after school. Our athletic program is managed by the Boys and Girls Club of the Coastside (BGCC), and our school competes against other schools in the Art David Athletic League. All after school sports participants must maintain a 2.0 GPA in their schoolwork, have satisfactory behavior to be eligible to play, and attend any mandatory meetings. Student athletes will become members of the Boys and Girls Club of the Coastside in order to play.

**Athletic Eligibility:** Cunha recognizes the physical and social benefits that come with participating on an athletic team. Cunha also recognizes that the priority for attending school is for the intellectual growth and academic success of the student. All sports are open to all students, irrespective of their sex/gender.

For those students who did not earn a 2.0 GPA for the previous quarter, the below stated provisions exist in order to assist the student's return to eligibility.

**6<sup>th</sup> Grade Students** who did not earn a minimum of a 2.0 GPA for the previous academic quarter who wish to participate on a Cunha Athletic team will have the option of using a **blue form** (a weekly academic and behavior evaluation sheet) to allow them to participate under the following conditions:

- The student will get a blue form from the office each week

- The student will ask every teacher on Friday to evaluate his or her grade and behavior for the current week. The only exception is if the teacher is absent that day.
- To be eligible to participate in games the following week, **all teachers** must indicate on the blue form that the student's grade for the week is "Passing" or "At-Risk" AND their behavior is "Excellent" or "Satisfactory". Any student with a grade marked "Failing", or behavior that is marked "Unsatisfactory" in ONE (1) class will be ineligible to play in any athletic contest the following week. The student may continue to practice with their team.
- All blue forms must be returned, fully completed by all teachers to the Athletic Director no later than Friday at 3:15 pm each week. If the Athletic Director is not available, blue forms should be turned in to the Assistant Principal.

**7<sup>th</sup> Grade Students** may use the blue form option for one sport's season only during the school year. Please see the rules for utilizing the blue form in the 6th grade section listed above.

**8<sup>th</sup> Grade Students** will be put on an academic contract and meet with the Athletic Director, Assistant Principal, and Counselor. There will be a two week period for the student-athlete to become eligible. A blue form will be used to assess eligibility (see above). If the student-athlete is not eligible after the two week period, they will be ineligible for the rest of the sports season.

**In-Season Suspensions:** Any school suspensions received by a student-athlete during the course of a sports season will result in a two (2) game suspension from team play.

**Sports Fees:** The Cunha Athletic Boosters (CAB), in conjunction with the Boys and Girls Club of the Coastside (BGCC), supports athletics at Cunha by funding a variety of sports teams during the duration of the school year. It is the mission of CAB and the BGCC to encourage students to become academically successful student-athletes and to promote school and community spirit.

CAB and BGCC will assist the athletic department by contributing to the following: coaches stipends, referee fees, uniforms, and PE and team equipment. Because of this, **a nominal fee will be implemented** to participate in any sport during the school year. Scholarships may be made available based on individual needs/situations.

**Insurance:** Students on athletic teams are required to carry insurance. Information on insurance will be provided by the Athletic Director.

**Fundraisers:** Each year, Cunha's Parent Teacher Organization (PTO) organizes the Annual Giving Drive. This is the most important school-wide PTO fundraising activity; therefore, we encourage participation from all parents and students. Please do your part by assisting in our fundraising efforts in order to supplement classroom instruction, academic programs and college and career enrichment events.

**Library:** The library is open for student use before school, at break time, at lunch and after school four days a week for Homework Club. The library is to be a quiet place where students can work and study without distractions. Appropriate conduct in the library is expected at all

times. Individuals who do not conduct themselves appropriately will be excluded from the library. There is a student printer located in the Library; students are expected to ask the Librarian for approval prior to printing.

**Special Activities:** Special activities are held during the school year, such as dances, assemblies, and field trips. These activities are earned by cooperating with Cunha school expectations and policies. We believe that students should be recognized and awarded privileges for their success in functioning cooperatively within the school community.

**Student Pictures:** All students are photographed for the school records. School photos are taken early in the school year. All pictures are taken for the yearbook and individual purchase. The purchase of all pictures is encouraged, but optional.

**Student ID Cards:** Every fall, each student will be photographed and given a Cunha Student ID card. This card is to be used to check out sports equipment at break and lunch and to check out library books. Students may put lunch and snack money on this card, which works like a “debit card.”

**Student Leadership:** Cunha has a very active student Leadership class. The student body officers are elected school wide and serve for the entire year. Officers and students in the Leadership class must demonstrate good citizenship and have at least a 2.5 GPA the prior grading period before running for office or enrolling in the class. There is an application process for enrollment in this semester class. Students with tardies, unexcused absences or behavior referrals will be subject to removal from the class. With high student interest, please note not all students will be admitted.

**Student Recognition Program:** The Cunha Staff is very proud of our school and students. To encourage students to display positive behavior and to do their best each day, we have established recognition of students in a number of ways:

- Student of The Month
- Birthdays announced daily
- Cub Compliments are given to students "caught" doing something good
- Honor Roll Certificates/Awards
- Honor Roll Field Trip
- Student work displayed around campus, including D Building Halls, Office, online, etc.

## **STUDENT BEHAVIOR EXPECTATIONS**

Everyone benefits from respectful, responsible, positive, and safe behavior at school. Students learn more and develop a feeling of pride because they are part of a safe, comfortable, educational environment. Instruction is more effective because teachers are able to spend time and effort helping students instead of dealing with behavior issues. Social events are more fun because they are not spoiled by unpleasant disruptions and unruly individuals. Properly administered expectations enable students to work, play and live in a pleasant, supervised atmosphere where they enjoy greater personal freedom without fear of intimidation.

### *Electronic Devices (Phones etc.)*

Teachers and staff consider all personal electronic devices (i.e. cell phones, etc.) a distraction to the learning environment at Cunha and a potential social risk for our students. For this reason, all personal electronic devices are not permitted to be seen, heard, or used at any time during school hours (arrival to school to the final bell) and should be kept in backpacks throughout the school day. If the device is audible or visible, ***it will be confiscated by a staff member*** and turned into the office to begin the progressive discipline process.

**1<sup>st</sup> Infraction:** The student will be warned, a notation will be made in the student's discipline file, and the front office will return the device to the student after school.

**2<sup>nd</sup> Infraction:** The student will receive a detention and the electronic device will be returned to the student's parent/guardian once the detention has been served.

**3<sup>rd</sup> Infraction:** The electronic device will be returned on the last day of school unless other arrangements are made with the parent/guardian including discipline and a requirement that the student turn their device into the office daily. If this agreement is not followed, other disciplinary measures may be taken.

***Note: if there is evidence that a picture, video or any other multimedia function was used in a classroom or during the school day without permission, a greater consequence will be issued.***

Students may use the **office telephone** to notify parents of illnesses and emergencies only. (Forgotten homework, PE clothes, or lunches are not considered emergencies).

## **DRESS CODE**

The responsibility for dress and grooming of a student rests primarily with the student and their parents/guardians. The purpose of the dress code is to provide a safe and inclusive learning environment. Enforcement of dress codes should be the responsibility of school administrators and not teachers, support staff, or other students. These guidelines help to provide families, staff, and students with basic understandings going forward.

### **Allowable Dress and Grooming**

- Students must wear clothing to school that is comfortable that includes either 1) a shirt and pants, leggings, shorts, or skirts OR 2) a dress OR 3) the equivalent.
- Students must wear shoes appropriate for learning activities (e.g., shoes should be worn that allow for safety and comfort for activities in which students are engaging (like PE, STEAM class (in the shop room), et cetera)).
- Shirts and dresses must have fabric in the front and sides. Midriff-baring shirts are allowed.
- Clothing must cover underwear and bras, but visible waistbands and bra straps are allowed.
- Clothing must always include opaque fabric covering the buttocks, genitals, and nipples.

### **Non-Allowable Dress and Grooming**

Clothing and personal items that advertise drugs, tobacco, sex, alcohol, gang affiliation, and/or sexually explicit or foul imagery or language are prohibited. Additionally, attire, clothing, or accessories that are known or appear to be associated with various youth gangs are prohibited. This will include, but not be limited to hats, shoes, backpacks, shirts, pants, sweatshirts, jackets, bracelets, necklaces, writing, numerals, or depictions associated with illegal activity or gang membership. Swimwear is prohibited unless deemed appropriate for the activity (e.g., swimming, water polo, et cetera).

### **Expectations of Students, Administrators, Staff, and Families**

CUSD students who violate the dress code are expected to immediately correct their own attire. CUSD school administrators are expected to discuss and issue consequences with students who violate the dress code and also inform their families. CUSD staff are expected to report serious dress code infractions to administrators without singling out or excluding students from class. CUSD families are expected to talk with their students about appropriate attire and take shared responsibility with their children to cooperate and model good judgment about appropriate attire.

No dress code is meant to detract from or prohibit any sort of cultural displays or connections.

For example, students wearing articles depicting cultural values, national origin, or religious beliefs will be allowed to continue wearing these items. Students shall not be prohibited from dressing in a manner consistent with their gender identity or gender expression or with their religious or cultural observance. In addition, the enforcement of the district dress code shall not discriminate against students based on hair texture and protective hairstyles, including, but not limited to, braids, locks, and twists.

Ultimately, this revision to CUSD Administrative Regulation 5132 aims to ensure all students are treated equitably regardless of gender, gender identification, sexual orientation, race, ethnicity, body type/size, religion, and personal style. The goal of the revision to CUSD Administrative Regulation 5132 is to minimize anxiety and stress caused by the enforcement of a school dress code that makes young people feel like their appearances are evaluated and watched by school administrators and staff when CUSD believes the responsibility for choosing comfortable and safe clothes for school rests with the student and their family.

This administrative regulation shall be modified by school administrators as appropriate to accommodate a student's religious or cultural observance, health condition, or other circumstance deemed necessary by principal or designee. In addition, the principal or designee may impose dress requirements to accommodate the needs of special school activities, physical education,\* athletic activities, and other extracurricular and cocurricular activities.

No grade of a student participating in a physical education class shall be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control. (Education Code 49066)

Students shall be allowed to wear sun-protective clothing (including but not limited to hats) for outdoor use during the school day. (Education Code 35183.5)

**Note:** Cunha administration reserves the right to make the final determination on what type(s) of clothing, attire, or accessories promotes or detracts from the greater school climate and culture, as well as the learning environment.

\*Students are required to change for PE daily. The Cunha PE uniform consists of the logo shirt and shorts. Students are required to have a pair of athletic tennis shoes for PE. It is strongly recommended that students purchase school locks. A package with the shirt, shorts, lock and cinch bag is available for purchase at the beginning of the school year. Additional clothing and lock purchases can be during the school year as needed. Students who cannot purchase PE clothing should speak with their teacher and may alternately wear a light gray t-shirt and black shorts. Loaner clothes are available if students forget their PE clothes.

### **BULLYING, HARASSMENT and RESPECT**

At Cunha, we believe in RESPECT and expect all students to act respectfully at all times:

**Respect for Property** – Ask before using someone’s things. Do not write on or destroy an individual’s property or school property.

**Respect Personal Space** – Touching or being in another’s personal space when not welcomed is inappropriate.

**Respect Differences** – No name calling, put downs, or slurs. This includes language, behavior or gestures that are obscene, offensive, or abusive.

Cunha will provide educational assemblies and presentations, as well as counseling and administrator support, to discourage bullying and harassment and promote reporting it. Bullying and harassment are considered very serious violations of school expectations and violations of a student’s right to attend school in a safe and peaceful environment.

Bullying may include but is not limited to:

- Physical Intimidation or actions
- Touching or being in another’s personal space when not welcomed.

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents of bullying to any school official.
- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner. If the complainant student or the parent of the student believes that the investigation or complaint was not resolved appropriately, the student or the parent of the student should contact the Principal or the school office. The school system prohibits retaliatory behavior against any complainant or any participant in the complaint process.

The procedures for intervening in bullying behavior includes, but not limited to, the following:

- The school will make reasonable efforts to keep a report of bullying and the results of the investigation confidential.
- Staff members are expected to immediately intervene when they see a bullying incident occur.
- People witnessing or experiencing bullying are encouraged to report the incident; such reporting will not reflect on the victim or witnesses in any way.

## **CONSEQUENCES FOR UNACCEPTABLE BEHAVIOR:**

At Cunha, the administration implements a progressive discipline philosophy; violation of any of the expectations stated in this handbook shall include progressively more severe consequences. If behavior is not corrected, or violations of behavior are severe, appropriately severe consequences shall be issued. Note: this list of consequences, while moving from least severe to most, does not imply a requirement that all infraction resolutions must proceed through all steps. Consequences are given based both on level of infraction and repetition of behavior.

As necessary to protect the health and welfare of students and staff, school officials may search students, their property, and/or district property under their control and may seize illegal, unsafe, or otherwise prohibited items.

### **Progressive Discipline per Infractions**

Teachers have their own in-class rules and policies. *Once the student has progressed through the teacher's classroom discipline plan and has not exhibited acceptable behavior, they will be referred to the office.* The student will be disciplined based on the seriousness of the offense and his or her previous conduct. The infractions and consequences for infractions are divided into five levels, each level having its own set of consequences. These levels will be used as guidelines by the administration in administering discipline to students choosing to violate classroom and/or school rules. ## **STUDENT DEVICE ACCEPTABLE USE POLICY**

This Student Acceptable Use Policy is intended to promote responsible use and protect students and the school from liability resulting from the misuse of a District-issued device (i.e., laptop or tablet, and any related accessory provided by the District), or District provided web-based service (i.e. an education application) (collectively referred to herein as “District-issued device” or “District-issued devices”).

Technology, on or off-campus, must be used in accordance with the mission and philosophy of CUSD. District-issued devices, assigned to a particular student, shall remain the property of CUSD. Therefore, there is no assumption of privacy when using a District-issued device. CUSD reserves the right to inspect all District-issued devices at any time during the school year without the prior authorization of a student or the student’s parent, or legal guardian. Administration and faculty reserve the right to monitor, modify, lock, erase, search, and/or confiscate the District-issued device at any time. In accordance with District and school policy, misuse of the District-issued device may result in disciplinary action up to and including expulsion.

To maintain the integrity of the District-issued device program, all students and parents/guardians must acknowledge and agree to the following conditions of use:

### **I. Family Responsibilities:**

1. District-issued devices that are loaned are to be presented to your child’s respective teacher at the end of each academic year for updates and routine maintenance. If your student leaves his/her school before the end of the year, s/he must return the District-issued device to his/her teacher as part of the check-out process.
2. Students/parents are solely responsible for the care and security of the District-issued devices they receive. District-issued devices must never be left in an unsecured location or any unsupervised area.
3. Any District-issued device left unattended and found on campus, should be turned into the main office.
4. If the District-issued device is damaged or malfunctions, families must take the device to the school’s main office within 72 business hours for evaluation. In the event that a student is unable to bring the District-issued device to the main office, s/he must contact the site principal via telephone or via email within 72 business hours outlining the nature of the damage or malfunction. Failure to present the District-issued device or notify the main office

and/or the principal within the allotted time frame may cause the family to incur the full cost of the repair or replacement and/or lose the privileges of being issued a device, subject to the terms of the Acknowledgement of Receipt.

5. Families are expected to report any problems with the charger and/or any district issued accessories including covers within 72 business hours. At the end of the year, students are expected to return the same charger, cable, and any other district issued accessories in working condition.
6. If the District-issued device is lost or stolen, the families must report the incident to the main office and/or principal and the Technology Department within 72 business hours. In the case of theft, the family must also file a police report. Families are responsible for replacing the lost or stolen student device at their own cost, subject to the terms of the Acknowledgement of Receipt. (see chart below)
7. If a student damages the District-issued device (excluding reasonable wear and tear, such as minor scratches on the casing), the families are responsible for the full expense of repairing or replacing the device, subject to the terms of the Acknowledgement of Receipt.
8. Families are not permitted to repair, alter, modify, or replace District-issued devices without express written authorization from the District. This includes, but is not limited to: replacing; writing or drawing on the District-issued device; or affixing stickers or labels to the District-issued device.
9. Under no circumstance will CUSD replace or repair a District-issued device without the required payment or paperwork from the family.
10. The District does not provide backup services for any District-issued devices. Students should store important documents where backup is provided, such as District-provided file storage locations. District technicians will not attempt to recover lost data on district issued equipment.

**Replacement Cost/Parent Deductible**

<b>Item</b>	<b>District Cost</b>	<b>Parents Deductible</b>
Chromebook Replacement	\$183.00	\$183.00
Chromebook Cracked Screen	\$100.00	\$50.00
Chromebook Charger	\$27.00	\$27.00

**II. General Expectations:**

1. Students may not remove or circumvent the management system installed on each District-issued device. This includes removing restrictions or “jailbreaking” the device.
2. While working on a District-issued device on campus, students must stay connected to the

CUSD wireless network and shall not turn off the District-issued device's wireless setting or connect to other wireless networks unless otherwise instructed by District staff.

3. Students are expected to have their District-issued devices at school each day and fully charged. The school is not responsible for charging the device. If a District-issued device is left at home or is not properly charged, the student remains responsible for completing all coursework.
4. Loaner District-issued devices will not be available. Forgetting to bring the District-issued device to school does not excuse or exempt the student from any class work rendered late or incomplete. Repeat offenses may result in disciplinary action.
5. Students may not change the pre-configured District-issued device's name, ip-address or other identifying information.
6. Students may not remove or alter the "asset tag" or "name tag" located on the District-issued device.
7. Memory space on District-issued devices is limited. Academic content takes priority over personal files or applications (apps). In the case of a memory space conflict, personal files, digital media, and apps must be removed from the District-issued devices at the student's expense.
8. Malfunctions or technical issues are not acceptable excuses for failing to complete an assignment. Please contact your teacher immediately with any issues regarding homework. The District reserves the right to determine whether any work completed prior to the malfunction will be considered for academic credit on a case-by-case basis.
9. Unless notified by the CUSD Technology Department, the student is expected to keep the administrator's settings on the District-issued device's current operating system and apps as set by the Technology Department.
10. Overall, students shall adhere to school's expectations when using the District-issued device.

### **III. Customization:**

1. Due to the potential for misuse of District-issued devices, families will not be permitted to add media (music, images, and video files), or install apps from the Internet. Any exceptions granted will be made in writing by an authorized administrator on a case by case basis.
2. Students/Parents are not permitted to adjust the personal settings (i.e., background images, app icon arrangement, multi-touch swipe settings, etc.) of a District-issued device without the District's or site staff's prior written authorization.
3. General settings established by the Technology Department (i.e., certificates, security, system preferences) of a District-issued device may not be changed or manipulated at any time.
4. If a student receives a CUSD cover/sleeve as an accessory to a District-issued device, they are not permitted to customize the cover/sleeve.

#### **IV. Prohibited Use: Prohibited use of District-issued devices includes but is not limited to:**

1. Any action that violates existing school rules or public law.
2. Redistributing a copyrighted program or copyrighted material without the express written permission of the owner or authorized person or as provided by the fair use exception. This includes uploading and downloading of materials.
